

RAC – YDL 2022 AGM Report

RAC YDL athletes competed in three YDL events at Burton, Derby and Mansfield. RAC are unable to host the YDL fixture and so co-hosted with Mansfield AC.

Athlete entries improved as the season progressed as the 1st event was slightly low in numbers, particularly U13 girls. Generally, track events have more representation than field events, but it was great to see athletes willing to fill in on events where there hadn't originally been an entry submitted.

There were some strong performances, with plenty of PBs, several top 3 positions and a number of athletes achieving AAA level – these being: - Oliva Reilly, Sofia Chesterfield, Tarun Balamurguran, Matthew Pearce, Adam Paget, Ewan Collier and Sebastian Thornewill.

Thank you to all who supported the YDL season, to the RAC officials Colin, Jenny, Chris, Geoff and Nick (Kathryn for liaising with the wider YDL committee), the army of parent volunteers, some of whom obtained L1 qualification during 2022 and to all the athletes who were keen to come and compete for RAC.

Here's hoping to a successful season for 2023; RAC will be co-hosting with Burton at the 3rd June fixture.
